

Two Days Online Webinar on

“Nurturing Leadership and Nation Building through NCC”

September 10-11, 2020

Registration link: <https://forms.gle/PZpp7746m7GKyAU97>

The National Cadets Corps Unit of Dr. Annasaheb Shinde College of Agricultural Engineering and Technology, MPKV, Rahuri is in operation since September 1982 under the 17 Maharashtra NCC Battalion, Ahmednagar. The NCC Unit of this college contributed in propagating national unity and integrity amongst NCC cadets. It inculcates the values of character, discipline and hard work and in shaping them into dynamic and responsible citizens of the country. It promotes the cadets to be worthy citizens and future leaders of our nations and further it instils in students discipline, courage, and patriotism.

Objectives:

1. To develop leadership skills among NCC cadets and ANOs
2. To enable the trainees for contribution towards the Nation Building, Women Empowerment and National Integration.
3. To develop the Personality & Career through NCC

Background

Leadership and Nation Building

Leadership qualities and good value systems have played an important role in the all-round development of the youth of our country and in grooming future leaders in all fields. The nation building, woman empowerment and national integration among youth are important for the development of any country. The National Cadet Corps is a vibrant organization with pool of well-motivated and distinguished boys and girls. It plays a dominant role in nation building and imbibing selfless services, discipline and leadership among youth. It instils in the cadets a sense of commitment to the values of National Integration, Nationalism and secularism. In this context, **National Cadet Corps, 17 Maharashtra Battalion, Ahmadnagar, Dr. Annasaheb Shinde College of Agricultural Engineering, Mahatma Phule Krishi Vidyapeeth & Technology, Rahuri & National Cadet Corps, Devchand College, 56 Maharashtra Battalion, Kolhapur are jointly organizing Two Days Online Webinar on “Nurturing Leadership and Nation Building through NCC”**
